Al Madina Al Munawara Road, Al-Jubail
Industrial City, Kingdom of Saudi Arabia.

ABOUT US

- Prime Skill Center for Training (PSTC) is a premier, TVTC-approved health safety and environmental training center headquartered in Al-Jubail Saudi Arabia, dedicated to supporting national human capital development.
- PSTC continues to grow and expand our business to meet the growing demand of health safety and environmental training and consultancy services in Saudi Arabia and the Gulf.
- PSTC had extensive experience conducting health safety and environmental training programs and providing consultancy for Saudi Aramco drilling / oilfield contractors, SABIC, Royal Commission and all other industries in Dammam, Riyadh, Jeddah, Yanbu, Tabuk, Hail, Turaif & Jazan.

OUR MISSION

To deliver world-class, practical, and internationally accredited HSE, Technical, and Vocational training programs. We empower individuals and organizations through innovative learning, hands-on experience, and continuous professional development building competence, enhancing workplace safety, and driving sustainable operational excellence across Saudi Arabia.

OUR VISION

To be recognized as the trusted partner for comprehensive HSE, Technical, and Vocational training, transforming professional capabilities, enhancing workplace safety, and fostering a culture of excellence across industries.

OUR SERVICES

- HSE / OHS Training & Certifications
- Operator Training & Certifications
- Technical Training & Certifications
- International Accredited Training & Certifications
- Customized Training & Certifications

OUR TRAINING CONSULTANCY SERVICES

- In-house Trainer Competency Development
- Training Consultancy
- Training Materials (PowerPoint, video, handbooks) Development
